

# MUSTER 012 | COVID-19 SAFETY ACTIONS

Dallas, TX – December 3-4, 2020

We are excited to announce that at this time, our team is moving forward with Muster 012. We do intend to keep the health and safety of our attendees and the EF team first in mind during this COVID-19 pandemic. GOOD news is there will be less attendees, which means more direct engagement with Jocko, Leif and our EF Team. Below is our plan of action for MUSTER 012:

- **SYMPTOM SCREENING:** Upon check-in (September 15<sup>th</sup> and September 16<sup>th</sup>), our team will be conducting symptom screenings for each attendee, to include temperature checks via non-contact forehead thermometers). Any attendee exhibiting symptoms or a fever of over 99 degrees, will not be allowed to attend the MUSTER events. Review the symptoms [HERE](#).
- **COVID-19 DECLARATION** – Attendees will be required to sign a MUSTER waiver as well as a Covid-19 Declaration confirming that they are not currently infected by COVID-19 and have not had, or knowingly been in contact with someone experiencing any of the following symptoms in the past 14 days: **Cough / Shortness of breath / Fever / Chills / Loss of taste or smell / Muscle pain / Sore Throat etc.**
- **ATTENDEE GO BAGS** – All items provided to attendees will be placed into your attendee GO BAG so attendees can easily grab and go (including nametag, lanyard and all materials).
- **SOCIAL DISTANCING** - Conference room seating will be set for social distancing guidelines, meaning less attendees and more spacing at tables. Proper physical distance will be managed with floor markers and signage in lines throughout the event.
- **FACE MASKS** – We ask attendees to wear a face-coverings while moving about the conference and in all common spaces where social distancing cannot be executed. Masks should be worn in accordance with state and federal mandates. There will be extra disposable masks available as needed.
- **SOCIAL DISTANCING LANYARD** – Attendees wanting a bit more space throughout the event can grab a RED EF lanyard to wear as a signal that you would like a bit more space. Special seating will be identified for red lanyard attendees that provide more spacing.
- **HAND SANITIZER** stations will be available throughout the MUSTER. We will also have hand sanitizer travel-sized bottles in each attendee GO Bag, as well as extras available on-site
- **INCREASED SAFETY AND HYGIENE PROCEDURES** for EF team and Muster Crew. All EF Team members and crew will be wearing masks and undergoing health screenings prior to and throughout the MUSTER.
- **MEALS** – All meals provided by EF will be located at the hotel. Capacities have been reduced in all areas to ensure plenty of space for proper social distancing. All meals will either be plated or chef-attended rather than buffet. Condiments and all break items will be served or individually packaged.
- **0445 PT** – Outdoor location with plenty of room to spread out and have enough distance from one another to do a burpee and social distance safely. We will also offer those that do not wish to attend this part of the event in person, an option to join us virtually from your hotel room.
